4. First Aid Measures

General: In all cases where exposure occurs, or when symptoms and signs occur, seek medical attention. Never give anything by mouth to an unconscious person. If found unconscious, place person on side to open airway and seek medical attention.

Inhalation: Not likely to occur. Remove to fresh air. If breathing difficulty occurs or discomfort occurs and persists, seek medical attention.

Skin Contact: Wash immediately with soap and water. Rinse thoroughly.

Eye Contact: Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Cold water may be used. Get medical attention immediately.
Ingestion

Drinking water or milk to dilute. Get medical attention. Never give fluids if a person is unconscious or is having convulsions. If swallowed, do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Loosen tight clothing such as a collar, tie, belt or waistband. Get medical attention immediately.

5. Firefighting Measures

Extinguishing Media
Water, foam, carbon dioxide or dry chemical.

Fire/Explosion Hazards
Sealed containers may rupture; paint films may burn. This product presents no unusual hazard.

Additional Information
None required.

6. Accidental Release Measures

Personal Precautions
Use under ventilated conditions. Use personal protective equipment. Refer to section 8.

Methods and Materials for Containment and Clean-up
Contain spill. Recover as much as possible by mechanical means. Absorb remainder with an inert material. Place into closed container and store in a safe location to await disposal. Wash the spill area with soap and water.

7. Handling and Storage

Safe Handling
General hygiene measures for the handling of chemicals are applicable. Eating, drinking, smoking, as well as food storage, is prohibited in the work room. Avoid unnecessary contact.

Storage
Store in dry place, away from excessive heat, in original or similar container. Keep container closed when not being used.

8. Exposure Controls/Personal Protection

Personal Protective Equipment

11. Toxicological Information

Health Effects
Heated decomposition products may cause eye and respiratory irritation.

Eye Effects
May cause irritation or redness.

Skin Effects
Prolonged liquid contact with skin may cause irritation or redness.

Sensitization
None likely to occur

Inhalation
Not likely.

Ingestion
No effects known in usual and ordinary uses of product.

Carcinogenicity:
NTP Not listed
IARC Not listed
OSHA Not listed

12. Ecological Information

No significant environmental effects are expected. No significant effects on aquatic organisms are expected.

13. Disposal Considerations

Dispose of all waste materials in accordance with all applicable federal, state and local regulations for the disposal of aqueous wastes. Do not flush liquid into public sewer or water systems.

14. Transport Information

DOT Shipping Name: Paints or stains 149980 Sub. 2
D.O.T. Hazard Class: Non-hazardous
