5894 Blackwelder St. Culver City CA 90232  
 Telephone 310 204-6900  
 Monday-Friday 8:30-4:30 Pacific Time  
 Order Online <https://novacolorpaint.com>

Nova Color Artists' Acrylic Paint is a top quality artists' acrylic paint suitable for use on canvas, paper, fabric, wood, plaster, masonry, and most non-slick, non-oily surfaces. Use for fine art, murals, fabric painting, decorative wall and interior finishes, set designs and handcrafts. Nova Color is made with a high-grade pure acrylic binder and is heavily saturated with the best pigments available. Water-soluble when wet; dries permanent and water resistant. Nova Color is sold directly from our factory so you get the best price available. We have been making Nova Color at our Culver City factory since 1965.

\*Lightfastness rating according to the American Society for Testing and Materials D5098: I=Excellent II=Very Good III=Does not conform to ASTM D5098. Ratings are based on the color at full strength. Some colors will be less lightfast when used as a tint (mixed with white or other colors) or if used as a glaze (mixed with clear mediums).

\*\*Cadmium colors may fade in the presence of moisture or acid rain. Not recommended for exterior use.

See Nova Color "Mural Painting Tips" for suggested exterior color choices.

+Indicates color is top-rated for exterior use. Within the ASTM Lightfastness rating of "I=Excellent" there is a wide range.

See Nova Color "Mural Painting Tips" for more details.
